

Loans Canada Financial Literacy Scholarship Sponsored By KOHO

At Loans Canada, we have made it our mission to help Canadian consumers take control of their finances through financial literacy. As Canada's most-reliable loan comparison platform, our goal is to make credit financing accessible to all Canadians.

This is why we want to encourage and recognize young Canadians* who have made their financial health a priority while working hard to achieve their post-secondary education goals.

Loans Canada, in collaboration with KOHO, will be providing 2 Canadian* students with their own \$750 CAD scholarship each semester. That is a total of \$3,000 CAD for 4 lucky students.

To apply, the only thing a student needs to do is tell us their story. These are the two different application windows for students to apply:

Round	Start Date	Deadline	Winner Announced
1	May 1, 2023	August 31, 2023	September 5, 2023
2	September 1, 2023	December 31, 2023	January 5, 2024

This award is available to Canadian* post-secondary students who are under the age of 30.

**Not available in Quebec.*

Program Description:

Getting good grades while practicing sound financial habits is a skill. For this reason, Loans Canada, in collaboration with KOHO, is awarding 2 \$750 awards each semester to students who demonstrate financial literacy and practice constructive money skills, regardless of their grades or GPA.

If you are a student working toward their education who can demonstrate exceptional financial management skills, you are encouraged to apply.
